

Network Camera-V5.5.820_SP Release Note-G3 (2023-11-20)

Firmware Basic Information	Firmware version:	V5.5.820 build231108 V5.5.820 build231120
----------------------------	-------------------	--

New Features

Modify Function

Version maintenance of HC library permission authentication issues.

Customer Impact and Recommended Action

This update refers to function/compatibility improvement and will take effect automatically after the Date of Change. We are very sorry for any inconvenience of use-habit changes caused by this action.

For any questions and request for this firmware, please contact our local technical support team.

Remarks:

- Hikvision reserves the right to change, alter or withdraw the above notification without prior notice.
- Product design and specifications are subject to change without prior notice.
- The Hikvision firmware may contain errors known as errata which may cause the product to deviate from published specifications. Current characterized errata are available on request.
- Hikvision is not liable for any typing or printing errors.
